

## Response to E-Waste Questions

Belson has recently become an E-Waste collection site for Kankakee County. If you are a resident of Kankakee County and live in one of the municipalities participating in the program, you can bring your televisions and laptops in free of charge. Our hours are Mon-Fri 8am – 3:30pm and Saturday 8am – noon. **Saturdays are the best days to bring your items in.**

At the moment the municipalities NOT participating are Limestone, Sammons Point, Bonfield, Buckingham, Chebanse, Essex, Grant Park, Momence, Reddick and Union Hill. If you live in one of those municipalities, we will still accept your items, but there will be a \$20 charge.

When you arrive at Belson, you can drive through the red gate where our truck scale is. Drive around the truck scale to the back of the building and go up the ramp. Please bring a photo ID (Driver's License etc) for residency verification. Our employees will unload your items and get you on your way quickly.

Here is a list of the items we accept under the program:

- a. Computers and Small Servers
- b. Computer Monitors
- c. Televisions
- d. Printers, Fax Machines and Scanners
- e. DVD Players, DVD Recorders and Video Cassette Recorders
- f. Video Game Consoles
- g. Digital Converter Boxes, Cable Receivers and Satellite Receivers; and Electronic Keyboards, Electronic Mice and Portable Music Players that have memory capability and are battery powered

I do want to remind you that if you have any scrap metal you would like to recycle you can bring it with your electronics. We purchase steel, aluminum, copper, brass and aluminum cans and you will be able to make money while recycling your other items!

Thanks for reaching out.
