Trustee Martin called the meeting to order at 6:00 p.m.

There were no action items as there was not a quorum present.

The next phase for the Second Street Square was discussed among all attendees. Hitchcock Design Group has prepared a design with numerous potential features. The following items were discussed:

- Water feature – add lights to the feature to allow for use at night
- Fireplace feature – add bench seating around the fireplace area
- Add a bike rack to the area
- Add drinking fountain
- Add some sort of park art

Other park ideas that were suggested for consideration throughout the village are:

- Skating path in another park, possibly Heritage Park
- Huge checker/chess board with large pieces for people to play
- Metal bean bag boards
- Bocce ball courts
- Tether ball courts
- Urban park art
- Benches throughout parks for sitting

Meeting was adjourned at 7:00 pm.
