Items for Discussion:

- 2017 Stats – Chief Swinford presented a printed report prepared by Trent Bukowski with the Kankakee County Sheriff's Department that used the software system that the department uses. As it was rather large and used large quantities of colored ink, Chief Swinford had only one copy. He will be obtaining the report in electronic form and then will disseminate the report to all trustees. Once the electronic copy is ready, the report will be presented at a Board meeting to be placed on file. The report will also be placed on the village website.
- I-57 Cameras – ComEd has made the final connections. Training on using the software will be next week with Dura-Tech personnel.

A motion by Trustee Dole and seconded by Mayor Nugent, to adjourn the meeting at 7:08 a.m. Voice vote – all ayes.

Presented by Darla Hurley, Deputy Village Clerk
