10	Police Department Building	Chief Thompson
----	----------------------------	----------------

Discussion:

Discussed some previous known issues with the current police building and options. New building would cost in excess of \$2.5 million. IT was discussed that the better option is to repair issues with the current building. These repairs include roof repair/replacement to stop leaks, cement siding on the building where there is currently cement block to prevent leaks, and a drain tile where needed to prevent water entering the building at floor level. One issue concerning a frozen pipe on the north side of the building has been eliminated. It was also discussed concerning tuckpointing the limestone portion of the original building.

Action items:	Person responsible:	Deadline:
Prepare RFPs for roof and siding projects		

10	Police Vehicles	Chief Thompson
----	-----------------	----------------

Discussion:

Mileage was provided to the committee. All vehicles are operating well and the fleet is in good shape

5		School Resource Officer		Chief Thompson	
Discussion:					
Chief Thompson requested that the committee consider the possibility of a School Resource Officer. The committee requested that the monthly activity stats have included in them the number of calls for service and time spent at the schools.					
Conclusions: Establish a separate line item for costs associated with a school resource officer including salary and equipment for the additional position. It can be considered if the budget allows for it.
